

AUSTRALIAN
BEST BUYS
HOME THEATRE

AVR 7300
July 2005

“This receiver is a powerhouse.”

“When Harman Kardon claims that wattage, unlike most manufacturers, it's telling you that it can produce that power from all the amplifier channels at the same time.”

“The inputs and outputs are too comprehensive to list.”

“The receiver's performance is exemplary.”

“an excellent addition to any home theatre system.”
